### Design and Software Skills

---

I am proficient in the use of Rhino 3D v5, Auto CAD 2010, Maxwell Studio v2, Brazil Render v2 for rhino, Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe After effects, Adobe Light room, Microsoft Word, Microsoft Excel, Microsoft PowerPoint.

I have had some experience in T-splines [for rhino v4], Grasshopper [for rhino v4], 3D studio MAX, Cinema 4D.

I am particularly interested in algorithmic architecture patterns and ornament facilitated by 3D CAD software.

I have contributed to two major GSA publications and designed ample artwork for musicians and graphic designers, both commercial and personal.
